

Schedule BI1233 2024

2024-10-03 - 2025-10-03 BI1233, Hydroponic Systems in Horticultural Production and Public Environment, HT2024

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w45 Mon 2024-11-04												
11:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Östan. Agricum	Anna Karin Rosberg		Course introduction		Course introduction		
Tue 2024-11-05												
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Anna Karin Rosberg		Mandatory Presentation		Presentations case study 1, and start case study 2		20
15:15 - 16:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Anna Karin Rosberg		Introduction Mandatory		Introduction to production lab and group discussions		20
Thu 2024-11-07												
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Skörden. Agricum	Beatrix Alsanius		Lecture		Hydroponic systems and technological solutions		

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w45	Thu 2024-11-07											
15:15 - 16:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Skörden. Agricum	Anna Karin Rosberg		Discussion		Time for questions regarding production lab		20
w45	Fri 2024-11-08											
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Anna Karin Rosberg		Mandatory Presentation		Presentations case study 2		20
18:00 - 18:30	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Deadline		Deadline for handing in suggestions on production lab		20
w46	Mon 2024-11-11											
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Karl-Johan Bergstr and		Lecture		Fertilizers in hydroponic and soilless systems		20
15:15 - 17:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Karl-Johan Bergstr and		Lecture		Artificial light and light measurements		20
	Tue 2024-11-12											
08:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg Karl-Johan Bergstr and		Mandatory Exercise		Start of production lab, groups A and B We meet in the greenhouse in Vegetum		20

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w46	Tue 2024-11-12											
13:15 - 17:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg Karl-Johan Bergstrand		Mandatory Exercise		Start of production lab, groups C and D We meet in the greenhouse in Vegetum		20
	Fri 2024-11-15											
08:15 - 10:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Crafoordsalen. Articum/N avet	Karl-Johan Bergstrand		Mandatory Exercise		Calculations of nutrient solutions		
10:15 - 11:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Crafoordsalen. Articum/N avet	Anna Karin Rosberg		Introduction		Introduction to literature report		
w47	Mon 2024-11-18											
08:00 - 16:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment					Excursion Mandatory				20
	Tue 2024-11-19											
08:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Mandatory Exercise		Production lab, continue building, groups Cand D		20

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w47 Tue 2024-11-19												
13:15 - 17:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Mandatory Exercise		Production lab, continue building, groups A and B		20
w47 Thu 2024-11-21												
18:00 - 18:30	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Deadline		Send in suggestions for literature reports. 1 powerpoint page		20
w48 Mon 2024-11-25												
08:15 - 09:45	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Articum 2. Articum/Navet	Anna Karin Rosberg		Mandatory Presentation		Pitch literature reports		
10:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Östan. Agricum	Annie Drottbe rger		Lecture		TBD		
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Sunnan. Agricum	Samar Khalil		Lecture		Aquaponics		
15:15 - 17:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Sunnan. Agricum	Samar Khalil		Lecture		Vertical farming and plant factories		20
Tue 2024-11-26												

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w48	Tue 2024-11-26											
08:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg Karl-Johan Bergstrand		Mandatory Exercise		Water and growing media lab, groups A and B We meet in the greenhouse in Vegetum		20
w48	Tue 2024-11-26											
13:15 - 17:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg Karl-Johan Bergstrand		Mandatory Exercise		Water and growing media lab, groups C and D We meet in the greenhouse in Vegetum		20
Wed 2024-11-27												
09:15 - 10:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Articum 4. Articum/N avet	Jonas Möller Nielsen		Lecture		Control and monitoring of hydroponic system		20
10:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Jonas Möller Nielsen		Mandatory Exercise		Measurements of production systems in the greenhouse		20
Thu 2024-11-28												
08:15 - 10:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Östan. Agricum	Beatrix Alsanius		Lecture		Growing media		

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w48	Thu 2024-11-28											
10:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Beatrix Alsanius		Discussion		Group wise discussions on sampling techniques in the production systems Greenhouse		20
w49	Mon 2024-12-02											
08:15 - 10:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Articum 4. Articum/Ns avet	Beatrix Alsanius		Lecture		Plant disease control in hydroponic systems		
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Articum 1. Articum/Ns avet	Samar Khalil		Lecture		Microbiota in hydroponic systems and microbiological methods		
	Tue 2024-12-03											
10:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Articum 4. Articum/Ns avet	Beatrix Alsanius		Lecture		Disinfestation of nutrient solutions		
	Fri 2024-12-06											
08:00 - 11:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment	https://exam.timeedit.com/public/5d10fdc97bdf60020346efe/exams/1041365/schedule?region=EU_EES	Skörden. Agricum	Anna Karin Rosberg	Exam BI1233 Hydroponiska system inom trädgårdsodling och i offentlig miljö	Examination	Papper			
w50	Mon 2024-12-09											
09:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Chemistry room. Articum/Ns avet	Samar Khalil		Mandatory Exercise		Microbiological lab - analyses of roots and nutrient solutions. Group C and D.		20

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w50												
Mon 2024-12-09												
13:15 - 16:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Chemistry room. Articum/Navet	Samar Khalil		Mandatory Exercise		Microbiological lab - analyses of roots and nutrient solutions. Group A and B.		20
Tue 2024-12-10												
18:00 - 18:30	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Deadline		Hand in literature reports with clear research questions and a disposition		20
Thu 2024-12-12												
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Samar Khalil		Mandatory Exercise		Microbiological lab - counting colonies Greenhouse		20
Fri 2024-12-13												
08:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Karl-Johan Bergstrand		Mandatory Exercise		Finalizing production lab. Measuring and cleaning.		20
w51												
Mon 2024-12-16												
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Jean Yong		Lecture		Soilless cultivation in Asia and Australia: updates and new perspectives		20
15:15 - 17:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment		Grodden. Agricum	Marie-Claude Dubois		Lecture		Hydroculture in architecture		20
Tue 2024-12-17												

Time	Course code	Application code	Course name	Exam info	Location, Building	Person	Module, Exam name	Activity	Exam type	Title	Request comment	Number of students
w51	Tue 2024-12-17											
10:15 - 12:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			External resource		Lecture		Hydroponics in public areas Christine Volm Zoom lecture		20
w51	Tue 2024-12-17											
13:15 - 15:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			External resource		Lecture		Hydroponics in public areas Zoom		20
	Thu 2024-12-19											
13:15 - 16:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment					Examination			Skabokas hos tentamen sservice	
	Fri 2024-12-20											
18:00 - 18:30	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Deadline		Submission of lab reports		20
w2	Tue 2025-01-07											
18:00 - 18:30	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Anna Karin Rosberg		Deadline		Send in literature reports for comments		20
	Wed 2025-01-08											
09:15 - 10:00	BI1233	20006	Hydroponic Systems in Horticultural Production and Public Environment			Samar Khalil		Mandatory Presentation		Presentations of microbiology reports. Zoom		20
