

## *Veterinary nursing - a scientific approach, DO0147, HT 25*

2025-06-27

**Bold: Mandatory (Scientific seminars 4 of 6)**

L: Lecture

S: Seminar

WS: Work shop

O: Own work

Blue: On campus

Green: Hybrid with Animal science students

**Course leader: [hanna.palmqvist@slu.se](mailto:hanna.palmqvist@slu.se)**

Date	Time	Activity	Room	Responsible
<b>Week 36</b>		<b>Introduction week</b>		
Mon 1/9	Info on welcome page	Welcome to SLU, roll call	Info on welcome page	SLU
	To be updated	Course introduction and registration, introduction to project work		Hanna Palmqvist
	To be updated	Introduction of participants and Zoom discussion code of conduct		Students/Hanna Palmqvist
		O: Reading articles for seminar tomorrow		Students
Tue 2/9	09.15-11.00	<b>Scientific seminar: Introduction to Veterinary nursing science (4/6)</b>		Students
	11.15-12.00	<b>Scientific seminar continued: Introduction to Veterinary nursing science</b>		Hanna Palmqvist
		O: Reading articles for seminar "What is science"		Students
Wed 3/9	09.15-11.00	<b>S: What is science</b>	Dvalin, VHC	Jannie Teinler, Malin Persson
	13.15-15.00	<b>S: What is science</b>	Dvalin, VHC	Jannie Teinler, Malin Persson

		O: Read example of project plan for lecture in academic writing		Students
Thu 4/9	10.15-12.00	L: Searching for scientific literature and reference management programs	Dvalin, VHC	Malin Persson
	13.15-16.00	W: Academic writing	Dvalin, VHC	Jannie Teinler
Fri 5/9	09.00-10.00	Program information	Room R, Ulls building, B-block	PSR - Todd Alsing Johansson
	10.15-12.00	<b>S: Academic integrity and AI</b>	Dvalin, VHC	Jannie Teinler/Josefin Söder
		O: Search litterature for project		Students
	<b>Deadline 15.00</b>	<b>Upload suggestion of topic and research question to canvas</b>		Students
<b>Week 37</b>		<b><i>Supervisor meeting 1 and seminar</i></b>		
Mon 8/9	9.15-12.00	<b>Supervisor meeting 1</b>		Josefin Söder/Hanna Palmqvist
		O: Search litterature for project. Write Aim and research questions		Students
Tue 9/9		O: Search litterature for project. Write Aim and research questions		Students
	<b>Deadline 24.00</b>	<b>Upload draft of Aim and research questions to canvas</b>		Students
Wed 10/9		O: Reading articles of methods		Students
		O: Reading articles for seminar tomorrow		Students
Thu 11/9	10.15-12.00	<b>Scientific seminar: Veterinary nursing science - anaesthesia (4/6)</b>		Students
	13.15-15.00	<b>Scientific seminar continued: Veterinary nursing science - anaesthesia</b>		Anneli Rydén

Fri 12/9		O: Write suggestion of methods for project		Students
	<b>Deadline 24.00</b>	<b>Upload suggestion of methods for project to canvas</b>		Students
<b>Week 38</b>		<b><i>Supervisor meeting 2 and laboratory animal science</i></b>		
Mon 15/9		<b>Group/individual supervisor meeting 2</b>		Supervisors
		O: Laboratory animal science module online		Students
Tue 16/9		<b>Group/individual supervisor meeting 2</b>		Supervisors
		O: Write background, revise aim and research questions, write methods, expected outcome and societal value		Students
Wed 17/9		O: Laboratory animal science module online		Students
Thu 18/9		O: Laboratory animal science module online		Students
		O: Write on project		Students
Fri 19/9		O: Prepare for statistics		Students
<b>Week 39</b>		<b><i>Statistics and seminar</i></b>		
Mon 22/9		O: Prepare for statistics		Students
	13.15-16.00	L: Survey design	Dvalin, VHC	Annika de Groote
Tue 23/9		O: Work on own sampling method and frame		Students
		O: Reading statistics article		Students
	13.15-16.00	L: Basic statistics and study design	Särimner, VHC	Claudia von Brömssen

Wed 24/9		O: Work on own study design, sampling method and frame		Students
	13.00-16.00	L: Qualitative research methods	Tanngrisner 1&2, VHC	UU
Thu 25/9	10.15-12.00	<b>Scientific seminar: Human and animal interactions (4/6)</b>	Audhumbla, VHC	Lena Lidfors
	13.15-15.00	<b>Scientific seminar continued: Human and animal interactions</b>	Audhumbla, VHC	Students
Fri 26/9		O: Work on own study design, sampling method and frame		Students
	13.15-15.00	Time for questions to statisticians via canvas chat - questions can be written in the chat well in advance		Claudia von Brömssen, Annica de Groote
<b>Week 40</b>		<b>Statistics and seminar</b>		
Mon 29/9	9.15-10.00	Time for questions regarding statistics checklist on Zoom		Hanna Palmqvist/Josefin Söder
		O: Work on statistics presentation		Students
Tue 30/9	9.15-12.00	<b>Presentations of statistics assignment</b>		Hanna Palmqvist
		O: Reading articles for seminar tomorrow		Students
	<b>Deadline 24.00</b>	<b>Upload statistics assignment to canvas</b>		Students
Wed 1/10	10:15-12:00	<b>Scientific seminar: Veterinary nursing science - rehabilitation (4/6)</b>		Students
	13.15-15.00	<b>Scientific seminar continued: Veterinary nursing science - rehabilitation</b>		Anna Bergh
Thu 2/10		O: Write on project		Students
	<b>Deadline 17.00</b>	<b>Upload background, aim and research questions, methods, expected outcome and societal value for opponent to canvas</b>		Students

Fri 3/10		O: Read and give constructive feedback to other students draft		Students
	13.15-15.00	W: How to give feedback and be a good opponent		Jannie Teinler/New colleague
<b>Week 41</b>		<b>Laboratory animal science and seminars</b>		
Mon 6/10	<b>Deadline 12.00</b>	<b>Upload feedback as opponent to canvas</b>		Students
		O: Laboratory animal science module online		Students
Tue 7/10		O: Laboratory animal science module online		Students
	13:15-15:00	<b>S: Laboratory animal science - case, time for reflection and questions</b>		Katarina Cvek
Wed 8/10		O: Reading scientific articles and searching for veterinary nursing article in connection to ethics, animal welfare and/or behaviour		Students
	Canvas 17.00	Feedback from supervisors		Supervisors
	<b>Deadline 24.00</b>	<b>Upload 1 article within veterinary nursing in connection to ethics, animal welfare and/or behaviour to canvas</b>		Students
Thu 9/10	10:15-12:00	<b>Scientific seminar: Ethics (4/6)</b>		Per Sandin/(Hanna Palmqvist)
	13:15-15:00	<b>Scientific seminar continued: Ethics</b>		Students
Fri 10/10	09.15-11.00	<b>S: Ethics and animal welfare in veterinary nursing, discussion of own articles, incorporation into project work</b>		Hanna Palmqvist/Josefin Söder
		O: Write ethics, sustainability, animal welfare and communication of results from the project		Students
<b>Week 42</b>		<b>Write and seminar</b>		
Mon 13/10		O: Write project		Students
	<b>Deadline 12.00</b>	<b>Upload entire text for opponent to canvas</b>		Students

		O: Read and give constructive feedback to other students draft		Students
Tue 14/10		O: Read and give constructive feedback to other students draft		Students
	<b>Deadline 24.00</b>	<b>Upload feedback as opponent to canvas</b>		Students
Wed 15/10		O: Revise text based on opponents comments		Students
		O: Reading scientific articles for seminar		Students
Thu 16/10	10:15-12:00	<b>Scientific seminar: Animal welfare (4/6)</b>		Anna Wallenbeck/(Hanna Palmqvist)
	13:15-15:00	<b>Scientific seminar continued: Animal Welfare (4/6)</b>		Students
Fri 17/10		O: Revise text based on opponents comments		Students
	<b>Deadline 24.00</b>	<b>Upload entire text for supervisor to canvas</b>		Students
<b>Week 43</b>		<b>Write and supervisor meeting 3</b>		
Mon 20/10		O: Read and prepare oral feedback on another student's text		Students
Tue 21/10		<b>Group supervisor meeting 3</b>		Supervisors/Students
Wed 22/10		<b>Group supervisor meeting 3</b>		Supervisors/Students
Thu 23/10		O: Write project		Students
Fri 24/10		O: Write project		Students
<b>Week 44</b>		<b>Presentation</b>		
Mon 27/10	<b>Deadline 12.00</b>	<b>Upload final version of project text for examination to canvas</b>		Students

	13.15-15.00	L: Oral presentations and presentations techniques		Jannie Teinler/New colleague
Tue 28/10		O: Prepare oral presentation		Students
Wed 29/10		O: Prepare oral presentation		Students
Thu 30/10	9.15-12.00	<b>Presentations of project work</b>		Students/Hanna Palmqvist
	13.15-15.00	<b>Presentations of project work</b>		Students/Hanna Palmqvist
<b>Week 47</b>				
Mon 17/11	Deadline 17.00	Examiner sends information on grading and revisions		
<b>Week 49</b>		<b>First revision</b>		
Mon 1/12	<b>Deadline 24.00</b>	Last day to upload revision 1		
<b>Week 51</b>		<b>Second revision</b>		
Tue 13/1	<b>Deadline 24.00</b>	Last day to upload revision 2		

**Teachers:** Hanna Palmqvist (Veterinary Nursing)  
 Josefin Söder (Veterinary Nursing)  
 Anna Bergh (Veterinary Nursing)  
 Anneli Rydén (Veterinary Nursing)  
 Jannie Teinler (Library)  
 Malin Persson (Library)  
 Claudia von Brömssen (Statistics)  
 Annica de Groote (Statistics)  
 Katarina Cvek (Laboratory animal science)  
 Per Sandin (Ethics)  
 Anna Wallenbeck (Animal Science)  
 Lena Lidfors (Animal Science)
