

FÖ0430 *Research methods* – *Master level distance course* – HT-2023

Course Period: 28, Aug 2023 - 2, Jun 2024

This is a self-paced asynchronous distance course, intended for student who cannot attend the classroom-based methods course, FÖ0446, that is offered in the Spring, period 4.

The course begins on August 28, and all accepted students will receive an invitation to join the Canvas course, which will be the teaching and communication platform for the course.

The only other scheduled date is September 8th, which is the deadline to confirm course participation and submit an individual course schedule, with planned completion on or before June 2, 2024.
