

FÖ0430 *Research methods – Master level distance course – VT-2024*

Course Period: 15, Jan 2024 - 2, Jun 2024

This is a self-paced asynchronous distance course, intended for student who cannot attend the classroom-based methods course, FÖ0446, that is offered in the Spring, period 3.

The course begins on January 15th, and all accepted students will receive an invitation to join the Canvas course, which will be the teaching and communication platform for the course.

The only other scheduled date is February 2nd, which is the deadline to submit an individual course schedule (course timeplan), with planned completion on or before June 2, 2024.
