** See literature list for full references.

Due to COVID-19 conditions, we will conduct this year's FÖ0443 in a distance teaching form. We will have regular whole-class Zoom-meeting based lecture-seminars, with meeting links posted on the course Canvas site. Participants should have access to suitable IT-equipment, including audio-video communication. The listed "Group forum" events are obligatory, but will be detail scheduled by groups. Groups will be formed in a Zoom meeting on Sept. 4.
