

# Biology of Lactation (HV0194, 7.5 hp)

Please note that the course is designed as a flipped classroom course. In addition to the course schedule, learning activities (recorded lectures, literature, assignments and more) that will guide you through the course contents will be presented in Canvas when the course starts. Plan for full days in order to keep up with the course. The schedule only shows when we will meet and do things together.

**Bold text indicates mandatory activities**

Version 2023-Sept-27

| Week | Date   | Day | Time        | Teaching                           | Teacher | Room           |
