Examination:

For passing the course, it is mandatory (of course) to submit both take-home exams.

The first take-home exam consists of two larger questions which you will answer (individually) in writing and submit to Canvas, deadline April 16.

Note: Late submission means that grade 3 is the highest grade attainable.

The second take-home exam will consist of two parts:

- First, one or two small question(s) which you answer in writing and submit to Canvas, deadline May 28.
- Second, you will make a small “project” which you also submit to Canvas at the latest on May 28.
 - o On either June 3 or June 4 you will present your project AND comment on someone else’s project.

Note: Late submission means that grade 3 is the highest grade attainable.

Course literature:

The literature list will be posted on Slunik and in Canvas. You do *not* have to buy any literature.
