Examination:

For passing the course, it is mandatory (of course) to submit both take-home exams.

The first take-home exam consists of two larger questions which you will answer (individually) in writing and submit to Canvas, deadline April 21.

The second take-home exam will consist of two parts:

- First, one or two small question(s) which you answer in writing and submit to Canvas, deadline May 27.
- Second, you will make a small "project" which you also submit to Canvas at the latest on May 27. On *either* June 3 *or* June 4 you will present your project AND comment on someone else's project.

Course literature:

The literature list is out on Slunik. You do not have to buy any literature.
