**Dear Student,**

The schedule is now done and the outline of the course is set and we have contacted all the external lecturers. There might be minor changes in the schedule that is, a lecture can be moved to a different day and there might also be one or two added lectures but it could also be that one or two lectures will be canceled. Our aim is, of course, as few changes as possible as we are quite pleased with the schedule as it is today.

When the Canvas page is available to you, the schedule will also be available to you there. Here you will also see any changes in the schedule

Kind regards from the course-team, Patrik Olsson and Åsa Klintborg Ahlklo

Information about the lecturers:

Åsa Ahrland, landscape architect, Associate professor (docent), SLU Ultuna.

Anna Enberg, building antiquarian, National Property Board (SFV)
