

MP0005 Environment Perception & Experience

information and schema for autumn 2024

Course leader(s) and examiner(s): Elizabeth Marcheschi (EM) and Mats Gyllin (MS) - Email: elizabeth.marcheschi@slu.se mats.gyllin@slu.se

The course is online please make sure to join our Zoom Meetings at the following link:

<https://slu-se.zoom.us/j/5293164762>

Passcode: MP0005

Datum for the entire course during autumn 2024

2 Sept – 4 Sept – Module I

2 Oct- 4 Oct – Module II

11 nov - 13 nov – Module III

18 dec - 20 dec – Module IV

The mandatory moments of this course are the following;

Module I:

Roll call for registration (24/09/02)

Soundscape group exercise and touch group exercise (24/09/03)

Module II:

Seminar (24/10/04)

Module III:

Group work and Group presentations (24/11/12 & 24/11/13)

Module IV:

Own presentation and participation the same day of your presentation

OBS! Note that if you miss one or more of these moments you must retake them next year. Also, any delay in the submission of home assignments will affect the final grade which cannot be more than just pass = 3

Module I

Introduction to the field of Environmental psychology and human perception, specific focus on bottom-up processes of human perception (i.e. soundscape, sensation & touch, olfactory)

2024-09-02	Activity	Teacher
10.00 – 12.00	Roll call & Master Program Presentation	EM & Desiree Mattsson
12.00-13.00	Lunch break	
13.00-13.30	(Mandatory roll call for MP0005) Welcome, practical information and presentation of all the assignments	EM, MG
13:45-16:00	Lecture: Introduction to the field of Environmental Psychology, the OHW Master and connection to human perception and experience of the environment	EM

2024-09-03	Activity	Teacher
09:00-9:45	Starting with an exercise on the experience of sound and then	EM
10:00-12:00	Lecture about Soundscape	Gunnar Cervén, Dept. LAPF gunnar.cerwen@slu.se
13:00-16:00	Lecture and group work: Sensation and touch	Charlotte Magnusson, CerteC Department of Design Sciences Faculty of Engineering LTH Lund University, Charlotte Magnusson <charlotte.magnusson@certec.lth.se>

2024-09-04	Activity	Teacher
10:00-12:00	Lecture: Olfactory	Victoria Linn Lygum

Between Module I-II

Start	Activity	Hand-in
2024-09-05	Individual assignment I and Seminar preparation (Mandatory home assignment)	2024-10-01 Any delays in the hand-in will result in a grade of maximum 3 in the final assignment

Module II

More on bottom-up processes of human perception (i.e. vision), theories and methodology of investigation within the fields of Environmental Psychology and Landscape Architecture

2024-10-02	Activity	Teacher
10.00 - 12:00	Lecture: Visual perception	Johan Rahm, Environmental Psychology LTH, Lund University

2024-10-03	Activity	Teacher
10:00–12:30	Lecture: Landscape perception theories	Caroline Hägerhäll, SLU
12.30-13.30	Lunch Break	
13:30-16:00	Lecture: Perceived Sensory Dimensions: An Evidence-based Approach to Greenspace Aesthetics	Jonathan Stoltz

2024-10-04	Activity	Teacher
10.00-12.00	Lecture: Tools to evaluate the perception and the experience of outdoor environments	EM and Jonathan Stoltz
12.00-13.00	Lunch break	
13.00-15.00	Seminar and group discussion about individual assignment	EM, MG,

Between Module II - III

Start	Activity	Hand-in
2024-10-05	Individual assignment II- (Mandatory home assignment)	2024-11-10 Any delays in the hand-in will result in a grade of maximum 3 in the final assignment

Module III

Top-down processes of human perception and experience, social and environmental sustainability connected to people's perception, and group work

2024-11-11	Activity	Teacher
9.00-12.00	Lecture: Constructing reality. The cognitive Neuroscience of memory and emotion	Mikael Johansson, Dept. Psychology, Lund University

2024-11-12	Activity	Teacher
9:00-10:15	Lecture: Sustainability, people affecting the environment (new trend in EP)	EM
10.15-10.30	Break	
10:30-12:00	Field work explanation and guidance (Mandatory group work)	EM, GM
12.00-13.00	Lunch break	
13:00-14:30	field work Visual landscape assessment (Mandatory group work)	Students group work
14.30-15.00	Break	
15:00-16:30	Group work –field work – SED (Mandatory group work)	Students group work

2024-11-13	Activity	Teacher
8:15-12:00	Group work –put the fields work together reflection and discussion for the afternoon presentations	Student group work
12.00-13.00	Lunch Break	
13:00-16:15	Group presentation of field work- (Mandatory)	EM, GM
16.15-16.30	Break	
16:30-17:00	Information on final home assignment	EM, GM

Between module III- IV

Start	Activity	Hand-in
2024-11-14	Individual assignment III and power point presentation (Mandatory home assignment)	In the form of a power point presentation in Module IV see dates below and then in a written assignment with deadline later on January 15th 2025 . Any delays in the hand-in will result in a grade of maximum 3 in the final assignment

Module IV

2024-12-18	Activity	Teacher
8:15-17:00	Individual assignment 3 PPP presentations	EM, MG

2024-12-19	Activity	Teacher
8:15-17:00	Individual assignment 3 PPP presentations	EM, MG

2024-12-20	Activity	Teacher
8:15-17:00	Individual assignment 3 presentations – to evaluate if we need this day as well + course evaluation	EM, MG

Final submission of individual assignment = 2025-01-15
