

## Course schedule: Conflict, democracy and facilitation MX0148-2021

### How to read the schedule:

NOTE: After the course starts, you should use the Canvas Calendar as the main source for looking at the schedule. Changes in the schedule *will only be made in the Canvas Calendar*, not in the PDF file. Please check the Canvas Calendar regularly to make sure that you have the correct times and locations for the course.

**All activities will be done via zoom. Links to Zoom meetings will be provided in the Canvas Calendar.**

The first column to the left of the schedule indicates the theme for each course week (CW ranging from 1 to 10).

Cells in the schedule filled with blue colour e.g. 10.00 – 12.00 Workshop are times that you are expected to attend course activities.

Days that are free of lectures or workshop are meant for reading course literature, project group work or assignments.

Text marked Green are optional course activities or external lectures that we think might be interesting for you.

See end of this document for contact information of lecturers.

For questions or comments about the course please contact Camilo Calderon [camilo.calderon@slu.se](mailto:camilo.calderon@slu.se) or Fanny Möckel [fanny.moekel@slu.se](mailto:fanny.moekel@slu.se).
